

PLEASE HELP US NAME THE NEW SHERBROOKE COMMUNITY PARK

Sherbrooke Village Museum and the Historic Sherbrooke Village Development Society is excited that the park at Court and Second Streets is nearing completion and will be opening in the Summer of 2021. The new park will be complete with open space, accessible picnic sites trails and washrooms. It will also include colorful gardens a gazebo and public access to the Indigenous Exhibit Center. We are asking you for your input on what we should name this exciting new park. The park was part of a 50-year legacy project at Sherbrooke Village.

Names must have geographic, historical, cultural, Indigenous, or social significance to the park and our local community or the Province of Nova Scotia.

When considering naming the park after an individual the Museum encourages names that promote our community's cultural, ethnic, racial and gender diversity by honoring groups that have historically been under represented in park names such as women and Indigenous communities.
